## Application for Membership in WORLD MATA

Membership to WORLD MATA is open to any student. For Black Belts, a copy of your Black Belt certificate must accompany this application or be submitted within 90 days.

An application to promote to a higher Black Belt rank must be made in writing. Testing to a higher rank requires a formal test and will be conducted by a WORLD MATA Designated Testing Master Examiner (DTMA). DTMA's are available throughout the United States, North America, South America and Europe.

An application for a WORLD MATA Instructor certificate is available and requires formal instruction directly from WORLD MATA in martial art teaching principles. Instructor seminars are available throughout the world under the direct supervision of Master Sam Frazier, Master Bonnie Welch or a Designated Testing Master Examiner (DTME).
